Dear Sir/ Madam,

Sub: Mentoring the Non- Accredited Institutions- reg.,

NAAC has touched every stakeholder of higher education in the way or other either directly or indirectly and 'Quality' has become buzzword on the academic campuses today. During the existence of more than two decades, NAAC has also networked with the Central Government, State Governments, other higher education agencies and policy making bodies in the country to recognise the output of NAAC and use the accreditation grade as an important facilitate tool. With its rich experience of conduction more than eleven thousand accreditation visits, the NAAC is poised to give a new direction to the Quality Assurance process in India. UGC envisages to accredit every institution in India with minimum score of 2.5 CGPA by the year 2022. This can be an achievable target only with involvement of Universities who have been accredited by NAAC to act as mentors to motivate Non- accredited Colleges affiliated to your University.

NAAC has prepared a detailed work plan for the same. The preliminary task for a mentor University is to identify Non- accredited Colleges affiliated to your University. May you please identify such institutions and provide the list of the same. The mentor University would formally induct such Non-accredited colleges that would enable and assist the colleges to successfully get them accredited by NAAC.

Kindly provide the list of such Non-NAAC accredited institutions affiliated to your university on or before 28th September 2018 and oblige.

Thanking you with regards,

Yours faithfully,

DeDe
